SUBORDINATION REQUIREMENTS

This communication is in response to your request for the Computershare Loan Services subordination requirements. Below are the general guidelines for either a refinance or loan modification subordination. We may request additional information before making a decision.

1. The Computershare Loan Services loan must be current at the time of the request.
2. Computershare Loan Services does not subordinate to reverse amortization, negative amortization, option arm or interest only loans.
3. The HUD 1, Settlement Statement or equivalent document may not allow for cash back to the borrower and may not include the consolidation of any other debt or credit cards.
4. Depending on investor guidelines, the proposed combined loan to value ratio (CLTV) may not increase from the current CLTV.
5. Computershare Loan Services will only subordinate if it is already in a second lien position. Computershare Loan Services will not subordinate if its lien is the existing first lien.
6. If in conjunction with the subordination you would like to reduce the available balance on a home equity line of credit, a loan modification will be required. The following guidelines apply:
   A. The loan modification is contingent upon subordination approval.
   B. The credit line will be permanently capped at the reduced amount requested.
   C. As permitted by state law, a fee of $250.00 may apply.
   D. The loan modification approval documents must be signed and returned. Please provide the requested new available balance and authorized contact information.
7. Due to the current market conditions, and individual investor guidelines all approvals are made on a case by case basis. Other documentation may be requested.

Requirements for refinance subordinations:
1. As permitted by state law, a $250.00 non-refundable subordination fee to be paid by verified funds, made payable to Computershare Loan Services, and received at the time of the request.
2. A completed checklist, found on the following page, including all supporting documentation. Please note: All items must be received in our office in order to begin processing your request for subordination. The expected completion time once all required items are received is 20 business days.

Requirements for loan modification subordinations:
1. As permitted by state law, a $125.00 non-refundable subordination fee to be paid by certified funds (made payable to Computershare Loan Services) and received at the time of the request.
2. A letter of authorization, signed by all named customers on our account, permitting us to discuss and/or release Computershare Loan Services account information to the title company/broker/mortgage company. This letter must be specific in regard to the name of the title company/broker/mortgage company that you permit us to discuss your account with. See attached authorization or you may provide your own.
3. Completed Current First Lien Information Sheet for Subordination, as attached.
4. A copy of a recent property evaluation in the form of an AVM, Broker’s Price Opinion or appraisal, dated within the past six months. An additional fee may be assessed to your loan to obtain one of these items if not provided.
5. A subordination agreement completed by the requestor for Computershare Loan Services’ execution upon approval. Computershare Loan Services does not supply the subordination form.
6. A copy of the Loan Modification Agreement, if applicable.
7. Copies of financial information used to qualify the borrower for a loan modification and any hardship letters provided by the borrower. This information is needed only if the Loan Program is not improving the borrower's financial situation and/or the principal and interest payment is increasing.
8. Your contact information for questions (name, phone number and email address)
9. Full title report
10. Current 1st lien payoff quote
